Mr. Andy Stark  
Privy Council Office  
Ottawa.

29 June 1988

Dear Mr. Stark,

Further to our telephone conversation today, I would simply state that it is unfortunate for all of us that in three and a half years of the current government neither Mr. Epp, Mr. Mazankowski, Mr. Mulroney, nor the Privy Council Office have been willing to act to correct public misconceptions fostered by Health and Welfare about people disabled by environmental sensitivity.

I expect more deaths will result from attitudes fostered by the department, which remain uncorrected despite several hundred appeals.

In the meantime I restate my assertion that the Mulroney government has broken its social contract, and I will continue to refuse to pay taxes, as sanctioned by the Hon Elmer MacKay's office after hearing about the concern last fall.

Thank you,
